Sat. April 14, '18

Second St. Gate of Town Park • 9–11:30 a.m.

COMMUNITY SHRED

The Lyndsay Group will be onhand at Town Park to provide secure destruction of your confidential and sensitive materials for FREE with their mobile shredding unit.

Residents of Madison and Morgan County can shred up to two (banker box sized) boxes of documents for FREE. Additional boxes can be shred for a \$5.00 per box fee, payable in cash. Also, Lindsay now offers hard drive destruction for \$10 per drive.

For your convenience we'll also collect additional hard to recycle items and move them to the Morgan County Transfer Station:

- Paint (latex and oil based)
- Household insecticides (in original containers only)
- Anti-freeze
- Household and car batteries
- Light bulbs (no fluorescent bulbs accepted at the Community Shred—Lowe's or Home Depot should take compact fluorescent bulbs for recycling)
- Small electronics (e.g. cell phones, recorders)
- Motor and cooking oils
- Used printer cartridges
- Expired and unused pharmaceuticals (courtesy of the M.C. Sheriff's Office)
